Prepare your child with the skills and confidence to enter preschool, prek or kindergarten with our engaging and educational learning kits!

PLAYGARDEN PREP LEARNING KITS

85% of brain growth occurs by age 5.

That's why early learning is the most important learning! Playgarden Prep inspires whole-child development for little ones 2 to 5 years, with a proven combination of early learning experiences.

Our Learning Kits were created by our preschool teachers and early education experts. Our mission is to provide children at home with the same materials, songs and lessons we use at school to build a strong foundation of learning by doing! With over 14 years of early education in NYC, our team is dedicated to providing real, hands-on learning!
